

Gabe Dimeglio is a 20-year veteran of information technology and security for private and public sector organizations. He is a results-driven leader, specializing in security services and solutions for mission critical, complex enterprise platforms. His expertise includes strategic consulting services, risk analyses/risk mitigation, and compliance.

Mr. Dimeglio serves as Vice President, Global Security Services (GSS) at Rimini Street. He is responsible for oversight of the GSS organization that provides tailored consulting and advisory security services to prospects and clients, in collaboration with Rimini Street sales, client engagement, and retention functions.

Prior to his current role, Mr. Dimeglio served Rimini Street clients as Senior Director of Global Security and Global Security/Security Intelligence Manager, providing leadership and oversight in the GSS organization.

Previously, Mr. Dimeglio held roles developing and managing technology and security teams, operations, business development, client-facing programs, budgets, and compliance programs in highly diverse organizations from the Global 100 to defense, healthcare, financial, and educational institutions. He is an active member of the security industry, and a trusted advisor to a diverse mix of information security startups. He has led teams to global recognition through the nominations and receipt of several industry awards including the Stevie International Business Awards for "Support Department of the Year."

Mr. Dimeglio holds a Bachelor of Science degree in Information Systems with a concentration in Internetworking from Strayer University in Maryland.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
