

Ms. Wells is a 27-year veteran of IT and enterprise software with extensive experience in network engineering, management consulting, product marketing, and product management. She has a broad range of expertise in strategy, enterprise applications and hosting, cloud solutions, quality assurance, product positioning, product messaging, and PeopleSoft.

Ms. Wells serves as VP, Product Strategy at Rimini Street. She is responsible for leading the product strategy of Rimini Street's comprehensive suite of services specifically designed to enable Oracle and SAP licensees to address new opportunities and challenges across today's dynamic IT landscape.

Prior to her current role, Ms. Wells served Rimini Street clients as Vice President, Product Management; Senior Director, Product Management; and Senior Director, Product Marketing, aligning strategy and product requirements to client objectives, and driving messaging and positioning for Rimini Street's support for PeopleSoft offerings.

Previously, Ms. Wells held leadership roles in product marketing, product management, strategy, and consulting at AT&T, overseeing the Oracle product portfolio for AT&T's cloud solutions and the PeopleSoft practice for AT&T's professional services organization. She also held roles in PeopleSoft consulting at USinternetworking and Technology Solutions Company, and network engineering and support positions at Advanced Computer Systems, Eclipse Computer System, and IBM.

Ms. Wells holds a Bachelor of Science degree in Management Information Systems from Auburn University and an MBA in Global Business from Kennesaw State University in partnership with ASEBUSS Business School in Bucharest, Romania. She also holds certifications in Product Marketing, Project Management, Six Sigma, ITIL, and Oracle Applications.

**ABOUT RIMINI STREET, INC.**

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
