GVP, Global Oracle Applications Support

**Rimini Street**

Rodney Kenyon is responsible for the delivery and management of global Oracle Applications support for Rimini Street clients. Global Oracle Applications include PeopleSoft, EBS, Oracle Communications, JD Edwards, Siebel, Hyperion, and ATG. He leads a global team of Oracle engineers and cross-functional experts who provide rapid delivery of solutions to meet clients' needs 24/7/365. He is also charged with continuing to build out Rimini Street capabilities on a global scale, helping clients optimize their Oracle applications landscape, and partnering with clients to build lasting relationships.

Mr. Kenyon has more than 24 years of experience with ERP applications, the majority of that time focused on the PeopleSoft and eCommerce technologies. Before joining Rimini Street, he worked for over a decade at AT&T as Director of Enterprise Applications Professional Services, leading a global team delivering consulting services to customers for multiple ERP applications, including PeopleSoft, Oracle E-Business Suite, JD Edwards, and SAP; eCommerce applications including Oracle ATG Web Commerce and IBM WebSphere Commerce; and custom Java-based application development.

Mr. Kenyon holds a Bachelor of Science degree in accounting from the University of Illinois at Chicago.
