

Kevin Mease

Chief Product Officer

Rimini Street

Kevin Mease is a 10-year veteran of the software industry and a highly skilled executive leader with expertise in helping enterprises of all sizes grow, scale, and succeed. He has a proven track record of building and leading high performance global teams in product development, product management, operational excellence, technology support, professional services, and customer success.

Mr. Mease serves as Chief Product Officer at Rimini Street, leading product strategy, product management, product lifecycle management, and new products and services.

Prior to joining Rimini Street, Mr. Mease served as Vice President of Product Management for talent acquisition provider Jobvite. In this role he led organizational growth, innovation, and client success.

Previously, Mr. Mease held top positions at MicroStrategy, a global leader in enterprise analytics and mobility software. As EVP, General Manager he was responsible for MicroStrategy HQ2 and the leadership and development of its 450+ member staff. As EVP, Worldwide Customer Success he led a 200+ employee team that delivered proactive, enterprise-level support and the highest customer satisfaction rating ever.

Earlier in his career, Mr. Mease held product management leadership roles at sales enablement platform provider PipelineDeals — managing three global teams and launching a new product line that achieved a 50% growth rate — and at Amazon where he led the product launch of Kindle Desktop for the Japanese market.

Mr. Mease has led several startups, including recruitment marketing platform provider Talemtry, recruiting industry sourcing provider TalentSpring (leading it through acquisition), and compensation data and technology leader Payscale. He has also been a Product Tester at worldwide gaming and entertainment leader Nintendo of America

Mr. Mease holds a Bachelor of Arts degree in Political Science and Business Administration from the University of Oregon.
